## WELL-KNOWN ELOCUTIONIST LEAVES.

Mrs. John Reed.

It is a matter of regret to a wide circle of friends in both social and club life that Mrs. John Reed takes her departure for Denver tomorrow to make a gift of elocution and has always been generous in the giving of her talents to all charitable causes as well as for the private pleasure of her friends. The Reeds have made their home in Salt Lake for the past ten years.

ENCOURAGED OVER  
PACKING HOUSECommittee Reports Good Progress  
in Preliminary Work.

## ARCHITECT HAS THE PLANS

B. F. SAUNDERS GIVES SUPPORT  
TO THE UNDERTAKING.

Those who have the plans in charge for the establishment of a packing house in Salt Lake, report that they are making good progress in their efforts to secure the necessary funds to place the undertaking upon a solid financial foundation.

Up to the present time their efforts have been largely directed toward bringing about the absorption of the local killers and butchers by the new proposed company. It was said last evening that an agreement had been virtually reached that would be satisfactory to all concerned.

This will insure a nucleus for the enterprise, and will also guarantee competent managers for the new plant. As soon as the details of this arrangement are perfected, a movement will at once be made to raise the additional sum needed. Already a large block of stock has been voluntarily subscribed and the feeling among those most interested is that the entire sum can be easily raised in ten days. August 15 is the day J. C. Leary says he believes ground can be broken for the plant.

## Architect Draws Plans.

An architect, who is a packing house expert, has already drawn plans and specifications for the buildings. The plans are made in such a way that each building and each department can be enlarged from time to time, as occasion requires at a minimum expense.

Speaking of the Chicago strike, one of the committee said yesterday: "While I am opposed to strikes and regret to see them take place, I believe that this particular one will be an object lesson to both the producer and consumer in Utah. It will help us to raise the money we need. The farmer can not fail to see how completely they are at the mercy of the Chicago beef trust, and the consumer will soon see, provided the strike lasts any length of time, that he will go meat."

## THE NEW DOOLY BUILDING ANNEX.

C.M. Neuhausen, Architect.

Work is progressing rapidly on the seven-story annex to the Dooly building on West Second South street. Mr. Dooly is at present intended to erect only a two-story structure, but a building company applied for three entire floors in the building, so he decided to make it seven stories in height and will take the chances of finding tenants to occupy the other floors.

## ENJOYED FINE OUTING

City and County Building Employees Hold Annual Holiday at Lagoon.

Nearly every one of the city and county employees who work in the big stone building on State and Fourth South streets, took a fine outing at the Lagoon yesterday afternoon to attend the outing at Lagoon. The day was pleasant and there was a large crowd in attendance.

The programme consisted of various athletic sports in the afternoon and dancing at the pavilion in the evening. One of the chief features of the day's amusements was the baseball game, which was won by the county employees by the close score of 10 to 9. The city employees, who the county employees have beaten the city boys, and they now deem themselves the champions of the city and county building.

The men's foot race was won by Valmore Hanson, of the city street department, who was given a handsome silver picture. Mrs. Joseph Waters, wife of a city employee of the city street department, came in first in the women's foot race, for which she was awarded a bottle of perfume.

Just Heckman, a farmer and a "rank outsider," won the men's bowling race, and was given a bathing suit. The women's boat race was won by Miss Edith Beckman, the prize being a bottle of perfume.

Miss Florence Andrus was given a pair of lady's slippers for being judged the best waitress on the floor of the dance hall.

Miss Violet Williams was voted the most popular young lady at the outing. She received a total of 100 votes. Miss Williams is a stenographer in the office of the county sheriff, C. Frank Emery. Her nearest competitor, Miss Ethel Watson, received 25 votes.

C. V. Anderson was chairman of the athletic committee. Deputy Sheriff Axel H. Steele acted as master of ceremonies.

The men's meeting Tuesday morning, between the hours of 10 and 12, at the office of the custodian in the basement of the City and County building.
